

10th June 2020

Dear John Wallis Foundation Inaugural Board members,

Today is the **tenth anniversary** of *The John Wallis Foundation* signed off by Stancea Vichie and Bernadette Wallis on 10th June 2010. It was after yourselves as the Advisory group had met a number of times prior to this.

We wish to acknowledge and thank you for your courage and contribution at the time, so that now ten years later we have an amazing not-for-profit organisation that has grown and developed because of your initial vision and work. We stand on the shoulders of those who began this good work and who helped to shape what is now *Highways and Byways – A Community of Service*.

As Fr John Wallis would say in blessing and thanks, *May Mary's mantle shield you, may the grace of God be yours.*

Yours sincerely,

Marg Casey
Chairperson
